

We received your letter dated August 17, 2007 requesting clarification of; 1) who received salary with the check written to Farley Enterprises, LLC, 2) all expenditures made for 'Direct Mail Fundraising' and 'Postage' and 3) why were there so few administrative expenses on schedule B supporting line 21(b) of the July Quarterly Report (4/1/07-6/31/07). 1) The check written to Farley Enterprises, LLC was written solely for the services rendered by Brett Farley. 2) The expenditures made for 'Direct Mail Fundraising' and 'Postage' were for promotion of the Minuteman PAC, its mission and to raise funds to support this mission. No portion of these expenditures were made on behalf of, or in opposition to, any specifically identified Federal candidate. These activities did not 'expressly advocate the election or defeat of any Federal candidate.' 3) The administrative duties of Minuteman PAC are performed by independent contractors in their own offices. All administrative expenses, including rent, utilities, etc. are included in the fees paid to those contractors.
